

FlyWithWine
Gift Guide 2023

Give the gift of traveling with wine with confidence and versatility.

Whether you're heading to wine country to stock up or if you prefer to travel with your wines, a VinGardeValise® is a perfect gift for the traveling wine lover.

We offer three different sizes, **12-Bottle Grande**, **8-Bottle Petite**, and **5-Bottle Piccolo**, which can also be used as a carry-on bag if you do not have bottles of wine packed.

Our collection features:

- Telescoping handle
- TSA-compliant lock
- Heavy-duty corner guards
- Enhanced proprietary exterior
- 360° Hinomoto wheels
- Foam inserts designed to protect wine bottles

Each model is available in three colors: **black, silver, and burgundy.**

Make the piece truly one-of-a-kind with a custom nameplate that promises ease of locating your bag at baggage claim.

All of the protective inserts are removable, making this the most versatile, specialty piece of luggage on the market. This way, you have the freedom to fully load your VinGardeValise® with wine, a mixture of wine and personal effects, or just personal effects!
